Chevening Alumni India (CAI) have been running a series of events focused on tackling sexism. We caught up with Deepti Ameta, a member of CAI, to find out more. Why did Chevening Alumni India decide to run events about gender equality? Chevening Alumni India (CAI) was formed in 2015 with an objective of bringing together the 2,500 (and still growing) Chevening Alumni in the country. As an evolving entity, it also aims to contribute to the betterment of the society.
