## #7: Koroanavairo Noh Stap Tek Kyaa!

Tingz fi du fi help mek yu noh geh sik fahn COVID-19, fahn di "US Center for Disease Control and Prevention." Fu moa, chek owt: **COVID-19 Multicultural Information Library** (<https://marinefrontiers.org/covid-19-info-library>), ahn wi big op wi Bileez govement ahn helt yoonit tu fi how dehn di handl dis vairos!

Know How It Spreads. Remember that some people without symptoms may be able to spread virus.

Noa how ih spred. Membə seh dat eevn ppil weh noh shoa di skinis ku stil spred di vairos.

Keeping distance from others is especially important for people who are at higher risk of getting sick.

Ih speshali impoatant fu pipl hoo eeziya fi geh sik er hoo don sik dat dehn kip dehn distans fahn adaz.

Cover your mouth and nose with a cloth face cover when around others.

Kova yu mowt ahn noaz wid wahn klaat kova wen yu deh rong ada pipl.

Cloth face coverings (mask) should not be placed on young children under age 2, anyone who has trouble breathing, or is unconscious, incapacitated or otherwise unable to remove the mask without assistance.

Yu noh fi put klaat kova (faysmaas) pahn yong pikni anda 2 yaaz, er enibadi hoo ga chrobl di breed een, er hoo faynt weh, noh di hoal op gud er hoo wahn kyaahn tek aaf di faysmaas widowtn yu help dehn. **Kip sayf, evribadi ...Tek gud gud kyaa.**
